

# Vertical Blind Installation & Maintenance Instructions

Thank you for purchasing this quality product. Please take a moment to review the following installation guide. Properly installed, your new product will provide you with years of beauty.

## Overview :

## Recommended Tools :

## Check the components :

Ensure that your package contains all of the contents needed for proper installation.

Blind Width	X ≤ 48"	48" < X ≤ 84"	84" < X ≤ 120"
Mounting bracket (Outside Mount Only)	2	3	4
Mounting Clip	2	3	4
Valance Clip	2	3	4
Valance Connector (Outside Mount Only)	2	2	2
Valance return (5" standard length)	2	2	2
Screw for Mounting bracket	4	6	8

\*Note: after installing, please keep the redundant hardware for future using.

For Outside Mount, please use the Mounting bracket & Mounting Clip

Please adjust the position of mounting clip to front as below drawing before installing as Outside Mount.

For Inside/Ceiling Mount, please use the Mounting Clip only

Please take off the Mounting Clip from the Mounting Bracket as below drawing.

## 1: Position blind

## 2: Attach brackets to wall or window moulding

### 3: Attach valance clips

### 4: Attach valance to headrail

### 5: Attach track into bracket by inserting edge at top of track into front of clip and rolling track backward until rear clip snaps onto back top edge of track

### 6: Insert Vanes in open position

**NOTE:** All the tracks are reversible depending on which side you would like to locate your stacking and controls. Make sure to leave a 2" space between the installation screw on the release flange and the wall/window or any protruding handle or window frame.

### 7: Attach the Valance Connector and valance returns

### Operate your vertical blind

### (Vanes) Auto-alignment Function

If the vanes are out-of-sync, turn the wand complete clockwise then counter clockwise. The vanes will return to its normal position.

### Remove your Vanes

### Maintenance for your vertical blinds

Care for Your Vertical Blinds:  
PVC vanes can be cleaned with a damp cloth.
