

NORMAN®

SHUTTERS. BLINDS. SHADES.

March 6, 2019

Norman® is an active participant in the WCMA "Best for Kids" certification program. All Norman® blinds and shades with the "Best for Kids" designation have been rigorously tested and free from hazards due to pull cords.

All our shutters – always cord-free – are kid-friendly by nature.

In choosing one of Norman®'s WCMA-certified "Best for Kids" products, you can be assured that they are kid-friendly, free from hazards due to pull cords, and compliant with current safety standards (Appendix C of ANSI/WCMA A100.1-2018 and Appendix D of ANSI/WCMA A100.1.)

For the utmost in safety and extra peace of mind, all of the following Blinds and Shades are “Best for Kids” certified:

- Aerolite™ Cordless Roman Shades
- PrecisionLift™ Cordless Roller Shades
- SmartDrape™ Sheers
- SmartFit™ Cordless Honeycomb Shades
- SmartFit™ for sloped Windows
- Cordless Top-Down Bottom-Up Honeycomb Shades
- Cordless Day & Night Honeycomb Shades
- SmartRise™ Cordless Honeycomb Shades
- Vertical Honeycomb Shades
- SmartPrivacy® Cordless Faux Wood Blinds
- SmartPrivacy® Cordless Normandy Wood Blinds
- Specialty Shapes Honeycomb

Shutters, which are cord-free by nature, are also a kid-friendly option.
