

PORTRAIT™

HONEYCOMB SHADES

TOP 10 REASONS WHY...

1 UP TO 108" X 120"

On windows large or small, SmartRise™ offers safety, style, and dependability, specially made to avoid downward shade creeping.

2 SMARTRISE™ CORDLESS

Best for kids certified

3 EASY & SMOOTH OPERATING

Simply raise or lower the bottom rail to operate with no additional tugging or buttons to push.

4 AWARD-WINNING NORMAN® SMART MOTORIZATION

Norman® Smart Motorization makes shade control simple and safe. Easily adjust one or all shades from your mobile device—at home or away.

5 SMARTFIT® + FRAME SOLUTION

Shade + frame combo solutions offer style, improved light blockage, and the ability to join multiple shades with T-Posts.

6 AWARD-WINNING SMARTFIT® DUAL SHADE WITH FRAME

Two individually operated shades allow fabrics to come in any color and opacity, making the design possibilities endless. Raise or lower either fabric independently for ultimate privacy and light control.

7 OPTIONAL LIGHT GUARD

Significantly blocks out more light on the sides of the window opening and helps ensure privacy

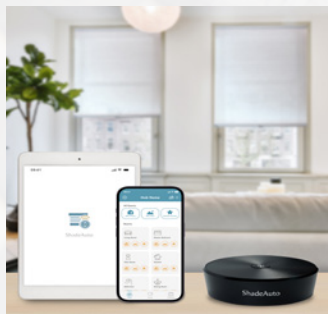

8 EXCLUSIVE AWARD-WINNING FABRICS

In-house fabric construction assures quality and selection. Exclusive collections include Windsong, recipient of Red Dot design award.

9 WHOLE HOME SOLUTION

Over a dozen lift options at your fingertips including: cordless, SmartRelease™, motorized, vertical, specialty shapes and much more. For every application, Portrait™ has an answer.

10 LIMITED LIFETIME WARRANTY
