Ship Date: _____

Tracking Number: _____

 FedEx

 DHL

(For easier tracking and minimal customs delays we recommend using FedEx/DHL. We do not recommend using USPS. The customer will be responsible for accessorial fees, including all duties and taxes.)

Value declared for the Color Sample

The customer should use his/her own judgment to decide what the fair market value is for his/her package. A 17% tax will be applied to the total amount of the package value and CIF (Cost-Insurance-Freight) combined. Typically, customers will declare no value/not for commercial resales.

Please make sure samples sent are without smudges or color tainting marks. Note that Norman^(®) will only be able to match the tone and not the texture of the color sample I send in.
